Lithium Energy Japan

### Lithium Energy Japan was honored as a good taxpayer from Shiga Prefecture in FY 2016

On February 10, 2017, Lithium Energy Japan was honored from Shiga Prefecture Governor “Taizo Mikazuki” as a good taxpayer in FY 2016. Our mission is one of creating a "future society" where our eco-friendly lithium-ion batteries support everyday life all across town. As a company based in Shiga Prefecture, We will push forward with lithium-ion battery business and also will strive to manage with emphasis on compliance.
